I commit to be involved in my child's education. I agree to be accessible and available to the school to discuss my child's academic progress.

I understand HCAM is a 1: 1 digital learning environment and my student will be assigned a Chromebook. I further understand I will be required to attend a mandatory orientation/meeting with my student prior to receiving the device and that I will be required to pay a technology fee of \$25.00 each year of attendance.

Additionally, participation in some programs at HCAM may require my child to take online classes and/or courses from Catawba Valley Community College. If my child is enrolled in a course at another institution while still enrolled as a student at HCAM, my child is subject to the policies, procedures and regulations of the institution offering the class, especially those pertaining to grading, drop/add dates, and honor code. Any such course taken by a student will appear on the student's transcript and the grade will be calculated into the grade point average unless that course is dropped according the drop/add procedures of the outside institution. I understand that there is a GPA requirement of 3.0 to be admitted into the college academies and that to remain in the college courses during the junior and senior year; I must maintain at least a 3.0 GPA. I also understand that my student must maintain a GPA of 2.0 to continue enrollment at HCAM. Students are expected to maintain appropriate behavior while enrolled at HCAM. Inappropriate behavior may be deemed as grounds for dismissal from HCAM.
